

The Laura Smither Scholarship **....a merit based scholarship**

History

The Laura Smither Scholarship was created in memory of Laura Kate Smither. Laura's passion for life was reflected in her love of ballet, girl scouts, scuba diving, learning and devotion to her family. Laura was born in Houston on April 23, 1984 and moved to Friendswood with her family in 1990.

She attended a private school in Houston for kindergarten and first grade and then attended Cline Primary, Westwood Elementary and Bales Intermediate in the Friendswood Independent School District and participated in the district's gifted and talented program. She attended Grace Christian School for her first year in Junior High and when she was accepted into the Houston Ballet Academy her family decided to homeschool her. Homeschooling allowed Laura the time to pursue her other interests and she took advantage of this flexibility to become a certified scuba diver, take up tennis, and work toward her silver award in Scouting.

Laura was gentle, considerate, responsible, highly intelligent and loved to laugh. She was and remains to those who knew her a most remarkable child, student and person. Laura was abducted and murdered on April 3, 1997 at the age of 12, before many of her dreams and aspirations could be realized. It is hoped that this scholarship will help the recipient to fulfill their dreams and aspirations.
